MEMORANDUM FOR: J. Segovia, Acting Warden
FROM: R. Logan, Executive Vice-President, Local 1034
SUBJECT: Changes reflected in P.S. 5321.08 Dated 8/10/2017

Changes reflected in Unit Management Manual P.S. 5321.08 dated 8/10/2017 that affect our schedule agreement dated 04-11-2011. These changes are as follows:

- Changes the definition of a "late night" from a shift that ends no earlier than 9:00 pm to no earlier than 7:00pm, except on particular days with scheduled inmate movement occurring after 4:00 pm.

The previous agreed upon late night hours ending at 9:00 pm were set due to the definition in the Policy date 9/16/1999. With these changes being made in this new policy directly related to hours of work as agreed upon by Management and the Union on the national level, we also agree to meet these new requirements of this policy and make out an agreement that reflect the current "late night" hours definition as stated above. In doing so, the following language is agreed upon to meet this requirement.

Language Added in #2: The late night hours of Option A will be 10:30 am to 7:00 pm. On particular days with scheduled inmate movement (i.e., airlift, bus, U.S. Marshal, or voluntary surrenders) occurring after 4:00 pm, late night coverage beyond 7:00 pm may be required.

Language Replaced in #2: The late night hours of option A will be 12:30 pm to 9:00 pm.

Language Added in #2: The late night hours of Option B and C will be 8:30 am to 7:00 pm. On particular days with scheduled inmate movement (i.e., airlift, bus, U.S. Marshal, or voluntary surrenders) occurring after 4:00 pm, late night coverage beyond 7:00 pm may be required.

Language Replaced in #2: The late night hours of options B and C will be 10:30 am to 9:00 pm.
