

## 16-Hour Shift Agreement

The Correctional Services Roster for FCC Pollock has twelve (12) Housing Unit #2 relief posts at the USP that have alternate work schedules.

These posts consist of:

- Two 16-hour shifts on Saturday and Sunday
- One 8 hour shift on Monday or Friday
- Four consecutive days off during the weekdays

These posts are included as part of the Correctional Services Roster as prescribed by the Bureau of Prisons and are bid upon quarterly as prescribed by the Master Agreement.

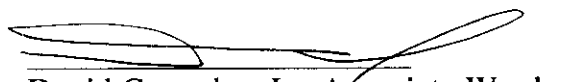

Consistent with 5 USC 7106 and Article 18 of the CBA, the Agency agrees to assign these positions the identified shifts and any changes regarding the above shifts will be made in accordance with the established procedures of 5 USC 7106 and Article 18.

This agreement will supersede any previous 16-hour shift agreements specifically for Correctional Services. FCC Pollock's Management and Local 1034 may meet any time within six (6) months after implementation of this agreement in order to work out any issues which may arise.

The terms of this agreement have been completely read, are fully understood, have been freely reached, and are voluntarily accepted.
